

CENSUS WORKERS LAUNCH BIG JOB

—Public Co-Operating

Reception given to the census-takers has been excellent, reported W. E. Poupore, Sidney man in charge of the undertaking in the Federal Nanaimo riding, this week. Fears of prying into personal affairs were cleared up in almost every case by the nature of the questions asked, he added.

The census, the first since 1941 and the ninth in Canada's history, got under way on Friday, June 1, when 45 enumerators commenced to make their enquiries among the residents of the Saanich Peninsula. Reports of repeated calls were few as enumerators were unanimous in their approval of the readiness with which their questions were answered.

Counting Noses

The program of counting noses through the area is planned for three weeks in the urban areas and four weeks in the rural districts. Many residents have already provided the information requested and others are being called on at the present time.

Wednesday evening was "T-Day". All transients were met with enquiries on Wednesday evening. The

enumerators concentrated on hotels, lodging houses and other points of temporary accommodation on this evening. It was part of the effort to prevent the same questions being addressed to an individual on more than one occasion.

If the enquiries of transients were spread over the period many would be questioned as they made their way, day by day, from one town to another.

Mr. Poupore, in his capacity of commissioner, is responsible for the entire riding, including the Gulf Islands and up-Island points. Although this area is wholly rural he is also concerned with the urban centres and part of his task will be relieved in three weeks' time.

A Ready Response

A number of enumerators have met with difficulties in gaining answers to all the questions, but the majority were merely mystified by the reasons behind the questions and soon responded on being offered an explanation of the enquiries.

Assisting Mr. Poupore in the Saanich area is Supervisor W. S. Harrison. He is responsible for the smooth-running of the census in this district.

Plan Dinner Meetings

Sidney Businessmen Form Active Group

At an enthusiastic and largely attended dinner meeting of Sidney businessmen in St. Andrew's Hall on Tuesday evening, the retail merchants' committee of the Sidney and North Saanich Chamber of Commerce was re-activated and plans were made for regular dinner gatherings in the future. Next meeting has been called for 6:15 p.m. on Tuesday, July 3.

There was general agreement that such gatherings were of real value to the community generally and a system of alternating chairmanship

was adopted. The next meeting will be arranged and conducted by J. N. Gordon of the Sidney Trading Co.

Diamond Jubilee

Discussion took place on the invitation of the Sidney Memorial Parks Board to close places of business on June 27 during the celebration of this community's Diamond Jubilee. It was agreed that all business would be suspended during the parade but that those businesses catering to tourists and visitors should remain open before and after the parade so that Sidney would not resemble a deserted village during the festivities.

Tuesday's meeting had been arranged by N. T. Wright and F. Stenton, with the former acting as chairman.

Battle Lines Are Drawn For June 27

A bitter and moist battle is looming as a feature of Sidney's Diamond Jubilee program on June 27. Fire Chief Art Bolster, of Central Saanich Volunteer Fire Department, has issued a challenge to Fire Chief Art Gardner of the North Saanich brigade. The challenge was promptly accepted and the rival brigades will fight a water battle during the festivities.

Interest is running high in the novel event.

Willing at Any Time

In reply to a query at Tuesday evening's meeting of the Sidney and North Saanich Chamber of Commerce Fire Chief Gardner made it clear that his brigade is willing and eager to respond to all fire calls in North Saanich at every hour of the day or night. Chimney fires always receive the same prompt treatment as major conflagrations, he emphasized.

PARKING AT AIRPORT IS UNDER FIRE

At Tuesday's meeting of the Sidney and North Saanich Chamber of Commerce, a communication was read from the Saanich Chamber of Commerce, presenting a resolution recently passed by the latter body.

The Saanich group protested vigorously against the public being denied the use of the area adjoining the T.C.A. hangar at Patricia Bay airport for parking.

The proposal to launch a system of paid parking at the airport was strongly condemned.

GROUP-CAPT. W. E. DIPPLE

Secretary of the Lady Minto Hospital at Ganges, Group-Captain Dipple has seen the need of new premises steadily increasing during his several years of office. A major portion of the coming campaign to raise funds for the proposed new hospital building will be his responsibility.

SIDNEY GIRL WINNER OF SCHOLARSHIP

At the graduation exercises of the Jubilee Hospital School of Nursing held at the Royal Theatre Sunday evening, Miss Marion Munro, daughter of Mr. and Mrs. E. Munro, Munro Road, Sidney, was presented by William S. Day, of Vancouver, with the Robert S. Day and Patience Day Memorial scholarship (\$100), the most coveted award in the training school.

Printed on scholarship is the following: "To be awarded to the graduate nurse of her year who has attained to the highest degree of general proficiency in theoretical and practical work and also possesses those qualities of mind and spirit which should characterize the members of the nursing profession and enable them to uphold the high ideals which find expression in consecrated personal service."

To Mark National Flying Club Week

On June 10, National Flying Club Week will be proclaimed throughout Canada. This is the fifth year that the same week has been observed. It was inaugurated in 1947 to mark the 20th anniversary of the flying club movement.

It will be notable at Patricia Bay, where the Victoria Flying Club headquarters are located. Among the leaders of the 34 flying clubs in the country, the locally-based club is an active group, maintaining extensive flying hours. Dave Pilby, of Sidney, is the energetic instructor and maintenance engineer at the Patricia Bay headquarters.

BRIGHT STUDENT GAINS \$700 BURSARY

Attending Toronto University on a \$3,000 bursary, Ross Hume Hall, of Powell River, has been awarded a further research scholarship of \$700 to take him to Cambridge University for two years.

The brilliant student is a nephew of E. B. Hall, of the staff of the Dominion Experimental Farm at Sidney.

LADY MINTO HOSPITAL TO RAISE FUNDS

—Plan Campaign

Initial campaign for the construction of the new Gulf Islands Hospital is to be launched without delay.

On the recommendation of Gavin C. Mount the newly appointed hospital board will make this project one of the principal objectives during the term of office of the board.

Elections took place at the annual meeting of the board on Monday, May 28. For a term of three years the following will hold office: Mrs. A. E. Scoones, Mrs. Austin Wells, Miss Emily Smith, Lieut.-Col. Desmond Crofton, O. Leigh Spencer, Ven. Archdeacon G. H. Holmes and W. M. Mount will serve a two-year term and Mrs. Warren Hastings, Jack Fraser and L. F. Nicholson have one year in office. The chairman of the board will be elected at the next meeting of the directors.

A departure from former practice has been instituted by the alteration of the date of the annual meeting. In future this will be held in March of each year, instead of May.

Balance Sheet

The balance sheet was presented by Secretary-Treasurer W. E. Dipple. The board approved the sheet. It had been drawn up by Joseph Jones from the account books of the hospital association and was submitted for the purpose of showing the actual financial position of the association as at December 31.

This was in accordance with good accounting practice, the board was informed, and without regard to the specific accounting forms required by the B.C. Hospital Insurance Service. A vote of thanks was extended to Mr. Jones for the excellent work he had done.

Baseball Cup Is Presented

Impressive silver cup has been presented to the baseball league for competition in North and Central Saanich, by L. H. Nicholson, of The Latch, Sidney.

The trophy is to be known as the Heath Nicholson Trophy and is to be open to all teams from the designated areas, whose members are under 14 years of age.

There are three teams in this category already fielded in the North Saanich area and further players are expected to form similar teams in Central Saanich. It is not expected that competition will be forthcoming from the southern section of the area this season.

The Heath Nicholson Trophy is the first cup to be offered to the boys for competition in baseball. Bryan Foster, whose activities have been largely responsible for the formation of the local teams, was enthusiastic. "It'll give the boys something to play for," he said.

DEATH CLAIMS SIDNEY LADY

Following a lingering illness, death claimed Mrs. Gladys E. M. Fleming, wife of Rev. E. S. Fleming, at her Sidney home on Tuesday of this week.

The deceased was born in Winnipeg and moved with her parents at an early age to Dawson City, Y.T. There she met Mr. Fleming and they were married in Dawson City on July 2, 1930. Since that time the clergyman has served with the United Church ministry at Burns Lake, Salmon Arm, Ocean Falls, Ladysmith and Sidney. The family moved here from Ladysmith in 1946 and Mrs. Fleming was active in church and other community work until her illness.

Besides her husband, the deceased is survived by one son, William, of Sidney; two brothers, Gordon MacKeen of R.C.A.F. headquarters in Ottawa, and Arnold MacKeen, of Tacoma.

Funeral Thursday

Funeral services will be conducted from St. Paul's United Church, Sidney, on Thursday, June 7, at 4 p.m., and the remains will be forwarded to Vancouver for interment. McColl Brothers are in charge of the service.

GOURMETS TO GATHER

Annual lamb barbecue at Saturna is growing up. Originally introduced as a local event to mark July 1 holiday, it has become a feature of attraction to residents of many of the adjoining islands. Gourmets and fresh lamb addressees from far afield will be in attendance this year when the barbecue is in operation. Senior chef in charge of operations is J. M. Campbell, Saturna farmer.

DUNCAN M. ANDERSON

Driving the mobile home he built himself on a flat deck truck, Duncan M. (Mac) Anderson left last week for northern British Columbia. He intends to spend some time in the Kitimat area, site of the new aluminum plant, prior to continuing his journey to Babine Lake. In the latter area he will construct a fishing resort. Mrs. Anderson, who has been spending a holiday with her relatives in Shaunavon, Sask., will join her husband later. Mr. Anderson is a veteran of the Second World War, when he served in the R.C.A.F. He has travelled extensively through Canada since the war and has worked in various parts of the country.

BUILDING RECORD SET

Building permits issued by the office of the North Saanich Regulated Area during the month of May reached an all-time high, when a total of \$126,860 was recorded.

The figures, which were released by Building Inspector W. R. Cannon this week, include the permit for the \$105,000 hotel, the construction of which was commenced recently.

Of the remaining permits issued, five were in respect of dwellings and represented \$17,980. There were also 16 permits for the construction of miscellaneous structures, alterations to dwellings and other construction work. These totalled \$3,880.

Brother Of Ganges Nurse Missing

Donald M. Humble, 23-year-old son of Mr. and Mrs. W. P. Humble of Victoria, is believed to have been drowned while serving with a provincial government water rights survey party in northern British Columbia on Monday, May 28.

His father retired as assistant at Dominion Meteorological Observatory last October, and Mrs. Humble is superintendent of Oak Bay Nursing Division of St. John Ambulance Association.

Miss Christine Humble, of Ganges, public health nurse for the Gulf Islands, is a sister.

MINOR CHIMNEY FIRE ROUSES FIRE CREWS

Sidney volunteer firemen were called out on Sunday afternoon to a chimney fire at the East Saanich Road home of Mrs. George Nunn. The fire had subsided by the time the alarm was sounded and the two fire trucks returned to the hall without taking action.

BIG FISH AT SALT SPRING

It is the big fish that congregated around Salt Spring Island these days.

Many anglers have already been out to try their luck with the local salmon and few have been unsuccessful. Among the successful fishermen in Ganges Harbor and surrounding waters have been the following: Desmond Jones, 26-pound spring; George Fyfe, 16-pounder; Vic Jackson, 15-pounder; A. M. Brown, 14½-pound spring; Bill Evans brought in an eight-pounder and D. G. Crofton a five-pound fish. His salmon was balanced by six large cod.

LET CONTRACTS FOR THREE NEW SCHOOLS

—Sidney, Brentwood, Sansbury

At a special meeting of the board of trustees of Saanich School District No. 63, on Thursday evening of last week, contracts were let for the immediate construction of the new Sidney elementary school, the new Sansbury elementary school, to serve the Lachside area, and the new Brentwood elementary school.

Tenders for all three projects were found to be within the funds at the trustees' disposal. Subsequent to the meeting, full approval was given to the letting of these three contracts by the provincial department of education, which will foot half the construction bill. It is expected that the big jobs will be launched at once and rushed to completion.

Sansbury School

Contract for construction of the Sansbury school was awarded to the lowest bidder, Luney & Robinson, of Victoria, for \$15,395. The board had earmarked the sum of \$16,000 for this project and other bidders were: Lambie & Son, of Victoria, \$15,592; J. McKinty, of Victoria, \$16,979; and Carmel Construction, of Vancouver, \$17,344.

Second contract let was that for construction of Sidney school. Again the lowest bid was accepted, that of Lambie & Son, for \$113,169. Trustees have available for this contract the sum of \$121,222. Unsuccessful bidders were: Luney & Robinson, \$118,900; Commonwealth Construction Co., of Vancouver, \$122,961; and Wheaton Construction, of Victoria, \$127,764.

The board has available the sum of \$88,144 for construction of the Brentwood elementary school. All bids for the complete school were found to be in excess of the funds available but tenders for construction of the main building minus the activity room were more in line. The bid of J. McKinty, of Victoria, who erected the new Indian school at Brentwood earlier this year, which was the lowest in this group, was accepted at a cost of \$75,136. Unsuccessful tenderers were: Luney & Robinson, \$81,912; and J. A. Pollard, \$82,017.

TO DISCUSS FERRY SITUATION AT ASSOCIATED C. OF C. PARLEY

Past President S. L. G. Pope, President W. C. James and Vice-President A. Moran will be official delegates from the Sidney and North Saanich Chamber of Commerce to the annual convention of the Associated Chambers of Commerce at Campbell River on June 13 and 14.

Saanich Chamber of Commerce is likely to be represented by President Percy Thorp, Secretary M. O. Goodman and Past President Claude Butler.

Sidney Resolution

The Sidney Chamber is pressing for the adoption of the following resolution by the Association: WHEREAS there is a definite community interest both social and economic—between Vancouver

Only one tender was received for alterations to McTavish school. The sole bid was that of Jack Sutton, of Sidney, for \$5,475. Only \$3,350 is available in the board's coffers for this job so the tender of Mr. Sutton was declined.

No tenders whatsoever were received for alterations to Keating, Saanichton, Prospect Lake or Mount Newton schools. The board had called separate tenders for this work in the hope that some of the smaller contractors in the areas of the schools could have undertaken the different projects. When no bids were received, it was agreed to call for tenders for all these different projects lumped into one figure. These tenders will be publicized at once and it is planned to open them by June 12 and speed the work to completion during the summer months.

Present in an advisory capacity at the meeting was Eric Melanson, of Vancouver, representing the board's architects, Sharp, Thompson, Berwick & Pratt.

TO DOUBLE BOAT SERVICE ON JUNE 15

North Saanich residents were delighted with the announcement made this week that the present international ferry service linking Sidney with Anacortes in Washington will be doubled on June 15. Heavy summer tourist traffic is anticipated and two ferries will be put on the run. At present only one ferry arrives in Sidney daily from Anacortes.

For many years this ferry link has been operated by the Black Ball line. On Friday last the Government of the State of Washington took over operation of the service. Announcement of the government's intention to purchase the vessels was made several months ago.

Island and the principal islands of the Gulf group, including Galiano, Mayne, Saturna, North and South Pender and Salt Spring Island, and

WHEREAS the Canadian Pacific Railway Company for many years operated a ferry between the British Columbia mainland and North Saanich, serving the Gulf group at the same time, and

WHEREAS the C.P.R. was obliged to remove from the service one of its older vessels because of more stringent fire regulations, and

WHEREAS the commercial and cultural development of all the Gulf Islands, North Saanich and Vancouver Island generally is being retarded because of the lack of a modern ferry service linking Vancouver with the Gulf Islands and North Saanich, therefore

BE IT RESOLVED that this Association agree that such a fast, modern ferry service should be encouraged in every way and that a federal government subsidy should be granted the operators of the ferry if such financial assistance should prove necessary.

Optimism Runs High

Spirits are high among the residents of Third St., Sidney. They are optimistic of seeing the last of the dust cloud which has covered them with an even layer in recent weeks.

This week a formidable army of trucks arrived, dumping gravel on the busy thoroughfare.

The grimy residents are hopeful that this is the first step towards the ultimate hard-surfacing of the street.

PRESENTATION
TO CONDUCTOR

The North Saanich Musical Society spent an enjoyable hour after a short regular rehearsal last Monday evening when Neville Shanks, president of the society, made a presentation to Eric Edwards, L.R.S.M., A.R.C.T., conductor, also to Mrs. Grace Barwick, assistant conductor, accompanist S. H. Barnes and Mrs. Muriel Filer, and to Miss Vera Charlesworth, the society's star soloist.

Mrs. L. B. Scordfield also presented the three ladies with dainty corsages.

Mr. Edwards spoke briefly, expressing appreciation of the society's work this season and the high level of attendance. He also spoke highly of the good performance at concerts in Victoria, Cordova Bay and Brentwood, also at the festival. He urged them to aim at a high quality in choice of music.

always bearing in mind the artistic rather than the commercial side in choice of work.

The ladies, under the able leadership of Mrs. Peggy Taylor, provided delicious refreshments to round off the evening.

Dennis Bailey, of Victoria, has been spending the week-end with Mr. and Mrs. R. Lamont, Lamont Road. Mr. Bailey is spending the summer in Victoria, after the summer he will return to Guelph, Ont., to resume his studies as a veterinary surgeon.

St. Mary's Church, Saanichton, was the scene of a double christening on Sunday afternoon when the daughter of Mr. and Mrs. E. N. At-

kinson and the son of Mr. and Mrs. K. E. Stanlake were christened. The young Stanlake boy received the names Michael Gregory; the godparents were Mr. and Mrs. Charles Lowe. Young Miss Atkinson received the names Sylvia Lee and the godparents were Misses Sylvia Wright and Miss Marylyn Simmons and Mr. Ed. Hutt. Tea was served later in the afternoon.

KEEN COMPETITION IN SCHOOL
SPORTS EVENTS AT SAANICHTON

Competition was keen at the annual sports meet of schools within Central Saanich and Saanich on the Agricultural Society's grounds at Saanichton on Friday last. A. W. Murphy, of Sidney, physical instructor of Saanich School District, was in charge of the different events.

The Percentage Shield was captured by Keating School while Senior Aggregate Cup went to Cordova Bay School. Keating pupils won the Junior Aggregate Cup and Royal Oak School copped the Boys' Relay Cup. In the Girls' Relay Cup contest, a tie resulted between Keating and Cordova Bay Schools.

The Results

Following are the complete results of the meet, with the following school abbreviations used: Cordova Bay, CB; West Saanich, WS; Keating, K; Royal Oak, RO; Prospect Lake, PL; Saanichton, S.

LOCAL MAN TO SERVE
ON ADVISORY BOARD

Word has just been received that Victoria's member of the Order of the Golden Rule, Laverne M. Sands, of the Sands Mortuary Limited, has been tendered, and has accepted, the honor of serving as the Canadian member of the Order's Advisory Board.

As most local people know, the Order of the Golden Rule is an international organization of funeral directors, one of the prime purposes of which is to identify in each community a funeral director who may be depended upon to render highly competent, strictly professional mortuary service at a price within the means of the family. The Order has but one member in each community, and while it is obvious that the member of the Order in any given community may not by any means be the only thoroughly dependable and moderately priced funeral director, the Order does definitely claim that its member may be depended upon, always, as a funeral director who strictly observes the motto of the Order, and offers "Service Measured not by GOLD but by the GOLDEN RULE."

The purpose of the Advisory Board is to formulate the policies of the Order, and to guide its executives. The Board consists of twelve members. On the 1951-52 Board there is one member in Canada, one in Mexico, one in New Zealand, and nine others, each in a different state.

LATE HUGH CREED
WAS PROMINENT
FISHING GUIDE

While preparing for a fishing trip
in the waters with which he was
more familiar than most fishermen,
Hugh Creed passed away
suddenly at his home at Brentwood
Bay on Friday, June 1.
Mr. Creed was among the leading
guides of Vancouver Island and he
had taken many parties from all
parts of Canada and the United
States on fishing trips.

A native of Somerset, England,
Mr. Creed was 62 years of age. He
had resided at Brentwood for 32
years, settling here after the First

DISAPPROVE DONATIONS

Disapproval of donations from
municipal funds to "so-called"
worthy causes was expressed at a
public meeting of Central Saanich
residents, in Keating Institute Hall
on Monday evening.

It was the second of the newly re-
introduced town hall meetings and
about 40 residents gathered to dis-
cuss various questions facing the
municipality at the present time.
Only one dissenting vote was ex-
pressed on the question of dona-
tions.

Lengthy discussion on access to
public beaches brought in consid-
erable debate on the problem of ac-
cess to Island View Beach and local
roads. It was considered by the
meeting that the Island View Beach
was a matter of local interest to the
immediate neighbors and not of
general policy. The meeting ap-
proved a resolution that the council
be urged to adopt a policy of keep-
ing roads to the beaches open. It was
recognized that financial consid-
erations would not permit of any im-
mediate action in this regard.

A municipal dumping ground was
urged as an immediate necessity in
the district. No complete agree-
ment could be reached regarding
the location of such a dump.

Finally the meeting discussed the
suitability of holding town-hall
meetings at this time of year. It
was agreed that in view of the agri-
cultural nature of the municipality
a large number of residents would
be unable to attend during the sum-
mer. Accordingly, the next meeting
was postponed until the first week
in September.

PLAN GOEY DUCK HUNT ON SPIT

Goey duck hunt, sponsored by the
North Saanich Rod and Gun Club,
will be held on Sidney Spit on Sun-
day, June 17. The hunt will be
open to members only and will
feature a prize to the successful
hunter of the largest specimen pro-
duced.

The goey duck is a lesser known
specimen of clam and has all the
characteristics of a legendary crea-
ture. Shaped like a duck it has a
shell instead of feathers and is
found in the ground instead of in
the air. The theory of its capture
is first to find it and then to grasp
it firmly by the neck. The finding
entails considerable digging and the
recovery entails further digging.

The goey duck was considered a
delicious dish by the Indians, who
used to organize parties to hunt the
creature. It can only be sought at
very low tides.

After the hunt a picnic will be
held at James Island, opposite the
spit. In charge of arrangements are
Loe Horth, Les Ricketts and Claude
Francis.

BIG CUT AT COLE BAY

Logging operations at the Cole
Bay Indian Reserve on West Saan-
ich Road are progressing, but the
major portion of the work still re-
mains to be done.

About 600,000 feet has been boom-
ed in Cole Bay to be shipped to up-
Island mills. There is between one
and a half and two million feet still
untouched, said Chief Walter Wil-
liams, this week. There remains
about a year's work, he commented.

The logging outfit concerned in
the project is C. N. Wade, Ltd., of
Shawnigan Lake. The company is
not pressing the clearing of this last
stand of heavy timber on the Saan-
ich Peninsula. It is expected that
the operations will increase with
the advent of winter.

The timber covers an area of
about 400 acres and comprises the
last stand of first growth timber on
the Peninsula. Situated to the
south of McTavish Road, both east
and west of West Saanich Road,
the timber has only been cut be-
tween the latter road and the sea.
The slopes of Mount Newton have
not yet been touched.

PRESENTATION TO DEPARTING MEMBERS

Mrs. Colin Moutat was hostess last Wednesday afternoon at her home at Churchill Road, Ganges, when she entertained over 30 members of the Legion W.A. at a party given at the tea hour in honor of, and as a farewell to, three members who are leaving the Island early in June—Mrs. H. L. Wood, who is settling in Vancouver; Mrs. Michael Ley, going to Victoria; and Mrs. Ivan Moutat, temporarily staying at Royston before going to the east.

The rooms were prettily arranged with pink pyrethrum and white pinks, the same flowers being used for the tea table.

On arrival the guests of honor each received a corsage of yellow roses and violets and were later presented by Mrs. Moutat, president of the L.A., with attractive cups and saucers on behalf of the organization.

All Return

Mrs. Moutat accompanied the gifts with a charming speech of farewell, expressing the hope they would all return some day to the Island.

During the afternoon Mrs. L. Parham sang several solos, accompanied by Mrs. E. Ashlee and tea was served by the hostess, assisted by Mrs. J. Bond and other members.

Before leaving, Mrs. J. B. Acland, past president, proposed a hearty vote of thanks to Mrs. Moutat for lending her home and for the enjoyable afternoon.

JERRY HOWARD HEADS ATHLETES

Jerry Howard was elected president at the annual meeting of the Salt Spring Island Athletic Club held on Monday in the Mahon Hall, Ganges.

Tom Reid was elected vice-president; Stefania Malczewski, secretary; Laurence Goodman, treasurer; and Vic Hakkaray, Patricia Cartwright, Kathleen Devine, Peggy Boyle, Mrs. Charles Houghton, W. A. Trelford and Donna Dorval, social committee.

Plans were made for organizing a membership drive under the co-operation of Clare Devine.

A gingham and denim dance will be held on Friday, June 15, in the Mahon Hall and the annual sports and ball game will take place in the school grounds on Monday, July 2.

Receipt Of Wrong Flag Causes Delay

The monthly meeting of the Ganges Chapter I.O.D.E., was held on Friday afternoon at Harbour House, Ganges, with the regent, Mrs. V. C. Best, in the chair.

The treasurer's report showed a balance of \$98.16. The card party held on Wednesday evening realized \$41 and the contest \$26.25. Dr. Dallas Perry, who won the prize in the latter, a large knitted shawl, donated it to the chapter and a member bought it for \$10, bringing the evening's proceeds up to \$67.25.

The regent reported that the delay in presenting the flag to the Guides was caused by the wrong one being sent, but the flag will be given to the company as soon as it arrives.

The Empire and world affairs convener read two very interesting articles on marriage customs of North American Indian tribes. Overseas parcel convener read a letter of thanks from a recipient in Britain.

It was decided to hold no meeting in July and August but the stalls were to be continued during that time on the first Saturday of each month.

Tea hostesses, Mrs. J. Mitchell and Mrs. Elvan Walters.

HONORED BY RED CROSS

George Lowe and Mrs. A. B. Elliot have been singled out to bring honor to the Ganges community, where they reside.

In recognition of their services to the Canadian Red Cross during the recent war both Salt Spring Islanders have been awarded the Red Cross Badge of Service.

SHOWER AIDS AUGUST SALE OF WORK, GANGES

The Salt Spring Island branch of the Woman's Auxiliary held a shower last Tuesday afternoon in the parish room, Ganges, when the doreas secretary received materials to be made up for the annual church pete and sale of work on August 1, at Harbour House.

A plant and flower stall was in charge of Mrs. H. A. Robinson and Mrs. J. Byron and tea, convened by Mrs. S. P. Beach and Mrs. H. C. Carter, was served at small tables beautifully decorated with sweet peas.

Yippee! DOUGHNUT TWISTS

Raised light and tender with new fast DRY Yeast!

There's a new twist in doughnuts—a new thrill in all your baking! Say goodbye to perishable yeast—Fleischmann's Fast Rising Dry Yeast keeps full strength until you use it—fast-acting when you use it. Get a dozen packages—it keeps in your cupboard!

DOUGHNUT TWISTS

Scald 1/2 c. milk, 1/2 c. granulated sugar, 1/2 tsp. salt and 1/2 c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 minutes, THEN stir well.

Add cooled milk mixture and stir in 2 well-beaten eggs and 1 tsp. vanilla. Stir in 2 c. one-cupped bread flour; beat until smooth. Work in 2/3 c. (about) one-cupped bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draft. Let rise until doubled in bulk. Punch down dough and roll out into a rectangle, 1/2" thick; loosen dough; roll again to 1/2" thickness. Cut into strips 7" long and 1/2" wide. Fold strips in half, twist, then pinch ends together. Arrange well apart, on lightly-floured cookie sheets; grease tops. Cover and let rise until doubled in bulk. Carefully lift, a few at a time, into shortening that has been heated to 365°—but enough to brown a cube of day-old bread in 60 seconds. When under-sides are browned, turn and cook second sides. Carefully lift from fat and drain on absorbent paper. Coat with a mixture of fruit sugar and cinnamon or brush hot doughnuts with the following syrup: Heat, stir over until the sugar dissolves, 1 c. granulated sugar, 1/4 c. butter or margarine and 1/4 c. water; simmer 5 mins.; then stir in 1 tsp. vanilla; keep hot over boiling water—if syrup becomes too sugary, stir in a little boiling water and heat to boiling point. Yield—3 dozen doughnuts.

Note: Dough may be cut with an orthodox doughnut cutter; fry the doughnuts and the "holes".

YOU HAVE your special interest or ambition—something that means a lot to you. Today, more than ever, the trick is to plan your saving—and your spending—so that you move steadily toward your goal. Here are two suggestions:

First, decide what you want most, how much it will cost, and open a special savings account at The Royal Bank of Canada for that one particular purpose. Then save for it.

Second, use the Royal Bank Budget Book to keep yourself on your course, and to avoid careless spending. The budget book does not suggest how you spend your money. It does provide you with a simple pattern to help you.

PLAN YOUR BUDGET TO SUIT YOURSELF. You can get a copy at any branch. Ask for one.

PLAN RE-ROOFING OF SIDNEY CHURCH
The monthly meeting of St. Elizabeth's Altar Society was held at the home of the secretary, Mrs. H. Bradley, Mrs. W. Smart presiding. Discussions on ways and means of raising the necessary money for re-roofing the church occupied much of the evening, but owing to the effectively for some crops. These will be discussed next week.

Sulphur Is Necessary
In a comprehensive report dealing with the effects of fertilizers on growth, bud count and leaf scorch of Croft lilies by American investigators, it is interesting to note that for optimum field growth under Oregon conditions, a complete fertilizer containing nitrogen, phosphorus, potassium and sulphur is considered necessary.

This conclusion was reached after two years of extensive field and greenhouse tests in which not only sulphur was used with the complete fertilizer, but also other plant growth elements including magnesium, boron, manganese, copper, zinc and lime.

Another interesting conclusion from this experiment was that, in general, applications of nitrogen during forcing will reduce the incidence of scorch. This should be good news to florists because scorch, a physiological disease, reduces markedly the market value of potted plants by shriveling the tips of the leaves and forming semi-circular blighted areas along the leaf margins.

Unfortunately, no recommendations or suggestions are given regarding the best field and greenhouse rates of the various elements. Apparently these are problems for future experimentation.

Herbicides
Increasing attention is being paid to weeding crops by means of herbicides, particularly for commercial plantings, where often the most expensive item in growing the crop is for hand weeding. The two main ways by which killing weeds is done is by pre-emergent or post-emergent applications. Sometimes the best program combines the two.

In a pre-emergent application the spray or dust is applied to the land before the crop has emerged. Usually this is done after sowing and just before emergence. It is most useful for subjects which take a comparatively long time to emerge, such as onions, leeks or parsnip. For quicker germinating sorts the crop is often up as soon as the weeds, and in most cases the spray would kill both weeds and crop. In such cases a good practice is to prepare the seed bed a week or ten days in advance of sowing the seed, so as to give the weeds a chance to germinate when they may be killed by the chemical without injury to the crop which has not yet emerged.

Post-emergent sprays must be selective, that is sprays which will kill the weeds, but not injure the crop. Naturally it is difficult to find materials which will do this, but material and methods have or are being developed which work

CIVIL DEFENCE
LEARN—AND LIVE
BE PREPARED!

In the news columns of the daily and weekly newspapers you have read that in the event of war British Columbia will not occupy a favoured position. In short, it is liable to be attacked by a potential enemy.

Consequently, it is vital that each and everyone of us learn the facts about such an attack . . . what to expect and how to prepare to fight back. Such preparation does not bring war any closer, nor does it mean war is imminent. It is just sound common sense.

Your Federal and Provincial Governments have started a Civil Defence Organization and soon local Civil Defence will become an integral part of community life. The outcome, in case of war or disaster, will depend on your knowledge and co-operation, together with the assistance of a trained and up-to-date Civil Defence Corps. During the early stages, there will be a shortage of qualified instructors and other facilities, but active steps are being taken to remedy the situation as quickly as possible.

Everyone must accept the fact that attack can happen and that Civil Defence is essential if we are to maintain our way of life.

Authoritative sources say, "It is possible to prevent 75% of the death, injury and horror wrought by attack IF WE ARE PREPARED."

Your Provincial Government is therefore publishing this series of bulletins on Civil Defence, which will appear weekly in newspapers throughout the Province. These bulletins will provide you with simple basic information. They will give you the facts that will enable you to do your part in protecting the lives and property of your neighbours, your family and yourself.

You must know and do your part . . . National survival and our way of life depend on you. Read these bulletins . . . clip them out, know them and act upon them.

Watch for another bulletin in next week's newspaper.

That leftover prescription

Medical scientists long ago gave up the search for a cure-all. Each sickness requires special treatment to fit the particular case. The medicine that helped Janie may be of no value whatsoever to Bobby. In fact, it might cause serious trouble if used unadvisedly. Never save a leftover prescription for future use. Let your doctor prescribe fresh, specific medicine for each illness. Only then are you safe and sure of proper treatment.

GOOD MANAGEMENT IS PROVED TO BE FIRST FACTOR IN EFFICIENCY

Survey of records of production of dairy herd reveals that certain individuals are more efficient milk producers than others.

Some factors of efficiency can be controlled, says V. S. Logan, a research officer at the Central Experimental Farm at Ottawa.

Improved management, which will benefit the efficiency of the herd as a whole, should be the first concern of the producer.

Well grown heifers can be bred at an earlier age, thus reducing the cost of maintenance relative to returns.

Cows bred to calve at one year intervals and milked for ten months are found to produce more efficiently than when milked for longer periods. This permits a two months dry period, which under normal conditions is sufficient for the cow to build up for the succeeding lactation.

Fall Calves

Fall calves generally produce more economically than spring calves. The time of calving, however, will be governed largely by the market to which the product is being supplied.

Careful observance and record of heat periods and breeding dates is

Egg Receipts Show Decrease in Supply

Poultry market report as supplied by the Dominion marketing board, Vancouver, follows. Egg receipts showed a slight decrease through registered stations in B.C. last week. Some peewee size eggs from the new pullet crop are appearing. While prices remain unchanged, the market tone is easier, with both local and shipping down slightly. Fre-

quent carlots of mixed grades from prairie points are being received. A delivery of 360 cases of U.S. grade "B" eggs arrived this week for breaking purposes.

Poultry receipts are fair. Fowl is increasing and a good supply of broilers is available. Breeder turkeys are tapering off. Prices remain unchanged.

CALL FOR FIRE PROTECTION ON ISLANDS
The regular monthly meeting of the Mayne Island Community Association was held on May 30 in Mrs. Naylor's Hptel. President Greene was in the chair with 12 members present.
The travel bureau in Victoria has published an attractive folder dealing with the Gulf Islands and a supply has been received for distribution.
As considerable logging is still going on on the island the fire hazard has increased on account of slash and the association asked for a pump to be kept at some central point for use if need arose. The only pumps in this district are stationed at Ganges. It was considered that some better method of handling forest fires on the islands should be evolved.
The department of agriculture wrote that as soon as the necessary arrangements had been completed the cattle on Mayne would be tested for a disease-free area.
As the regular meeting came on

SAANICH PENINSULA BRANCH NO. 37 LEGION NEWS
(By William Stewart)

The British Columbia Provincial Command of the Canadian Legion, B.E.S.L., held its 20th convention, in Penticton, B.C., commencing on May 20 and concluded on May 24, with 92 branches represented.

Penticton's Capitol Theatre was the scene of the opening ceremonies. In a darkened theatre, a war cemetery with its crosses "row on row" was depicted on the screen during the Act of Remembrance, many of the delegates expressed the opinion that the ceremony was one of the most impressive they had ever witnessed. Hon. W. T. Straith, provincial minister of education, delivered the opening address.

The convention dealt with 127 resolutions, the chief being national conscription, hospital insurance, hospital sweepstakes, a national flag, reorganization of the Pacific Coast Mounted Rangers on a province-wide basis, and unanimous concurrence with the Legion's Dominion Command pension policy. (This subject was covered in this column last week.)

Of particular interest to local Legionnaires was the election of our branch secretary, J. L. Martin, as third vice-president of Provincial Command. Other officers elected to the provincial executive were as follows: president, D. S. McTavish, Salmon Arm, B.C.; first vice-president, A. H. Gibson, Cumberland, B.C.; second vice-president, J. A. Urquhart, Burnaby, B.C.; fourth vice-president, Miss K. Cole, Vancouver, B.C.; Dominion representative, R. MacNichol, Gibson's Landing, B.C.; honorary treasurer, F. Townsend, Vancouver, B.C.

A complete report of the convention will be given at the next general meeting which will be held on Monday, June 11, at 8 p.m., in the Orange Hall, Saanichton. It is hoped that guest speakers will attend.

Veterans and servicemen are reminded that tickets are still available for the mixed smoker in Mills Road Hall on Saturday, June 16. Tickets may be obtained from the clubrooms, or Forster's Barber Shop in Sidney.

Wong, used by at least 150,000, 000 Chinese people, is the world's most common family name.

CONDUCT LAST RITES FOR LATE MRS. HARRISON

On Saturday, May 26, in the presence of many relatives and friends, the funeral of the late Mrs. Muriel Agnes Harrison took place from the Burgoyne Bay United Church. Rev. W. Allen, of the Fairfield United Church, officiated, and Mrs. Colin Mout was at the organ. A profusion of beautiful flowers was in evidence.

Mrs. Harrison, who was 31 years of age, is survived by her husband, Luke, and three-year-old daughter, Gloria; her parents, Mr. and Mrs. George Stewart, of Beaver Point; four brothers, Tom, of Loughboro Inlet; Hugh and George, of Ganges; Jim, at home; two sisters, Winnie (Mrs. McEwen) and Kay, in Vancouver; also her grandmother, Mrs. Hampton, of Vancouver, and many aunts and uncles in B.C.

The service included two hymns, "Nearer My God to Thee" and "Abide With Me."

Palbearers were Norman Ruckle, Andrew Stevens, George Catlin, Gavin and Chester Reynolds and Floyd Kaye. Interment followed in the cemetery of the St. Mary's Anglican Church at Fulford.

PLANS LAID FOR FETE AT GANGES AUGUST 1

The Vesuvius Bay Circle held its monthly meeting last Wednesday in St. Nicholas room with the president, Mrs. C. T. Motherwell, in the chair.

The treasurer's report showed a balance of \$49.28. Plans were made for the fete to be convened by the

members at the annual church fete and sale of work in Harbour House grounds, August 1.

Mrs. W. J. Wilson has undertaken to prepare a notice of church services to be placed in Vesuvius Lodge. Tea hostess was Mrs. Percy Lowther.

board, extra-governmental in form, as is already the case in the Workmen's Compensation Act. New equipment of no kind should be paid for out of premium receipts but should be covered by loans. Hospital costs of provincial government welfare patients should not be included in the plan, urges the report.

The associations suggest that if patients were granted further facilities for out-patient treatment the availability of beds would be greater and would be open to the urgent cases that today are being turned away for lack of beds.

A basic minimum patient-day cost, if it were ascertained, would serve as a yard-stick for the control of expenses by various hospitals throughout the province. In addition, states the brief, a quarterly or bi-monthly statement should be published by the hospital service.

Throughout the brief emphasis is placed on the relief from hospitalization of persons in the lower income brackets.

Ottawa's estimates indicate that the federal government will spend more than \$3,600,000,000 in 1951.

SILVER WEDDING ANNIVERSARY

On Saturday, June 2, Mr. and Mrs. Herbert Spalding, of South Pender Island, celebrated their 25th wedding anniversary. Mrs. R. McGusty held an informal evening in honor of the bride and groom of 25 years ago.

Among those gathered to congratulate the pair were: Mr. and Mrs. Teece and daughter, Sarah; Mr. and Mrs. Crisp, of North Pender; Mr. and Mrs. G. Jennings and daughter; the two sons of the principals, David and John Spalding; Mrs. Spalding, Sr.; Mr. and Mrs. McGusty, and others.

Gifts of silver in keeping with the anniversary were presented to the pair, and the evening was rounded out with refreshments.

Three Teachers To Leave Area

Resignations of three teachers from the staff of different schools throughout Saanich School District No. 63 have been received by the board.

The trio who will be leaving the staff at the end of June are: Mrs. Susan Smith, of Sidney elementary school; Miss Eva McCormick, of Keating school; and Miss Jessie Henderson, of Patricia Bay school.

The board's educational committee will secure replacements for these teachers.

MRS. WOODWARD HEADS WOMEN'S P. C. GROUP

Progressive-Conservative women of the Saanich Peninsula met recently at the home of Mrs. C. E. Giles, 590 Boleskine Road, Victoria, and formed an association which will be affiliated with the provincial body.

Officers elected for the balance of the season were: honorary presidents, Mrs. Herbert Anson and Mrs. George R. Pearkes; president, Mrs. E. G. Woodward; vice-president, Mrs. C. E. Giles; secretary-treasurer, Mrs. W. Peters.

Following keen discussion of current topics plans were made to hold the June meeting at the home of Mrs. F. Pimm, 3022 Wascana (off George Road), on Thursday, June 7, at 8 p.m. It is expected that Miss Hilda Hesson, national director of women within the Progressive-Conservative Party, will be the guest speaker.

All Saanich Peninsula women who are interested in Progressive-Conservative affairs will be most welcome.

LAST RITES FOR SAANICH PIONEER

Last rites for Mrs. Margaret Anne Jane Smith, Saanich pioneer, who passed away on Sunday, May 27, were observed at Thomson Funeral Home on Wednesday, May 30, when Rev. E. S. Fleming officiated.

The congregation sang the hymns "Jesu, Lover of My Soul" and "Peace, Perfect Peace," which had been requested by the deceased. Many floral tributes surrounded the casket and filled the cars going to Holy Trinity Cemetery at Patricia Bay, where interment took place.

Rev. R. Melville conducted the burial service. Pallbearers were A. Thomson, W. Armstrong, P. Brethour, W. Munro, L. Horth and S. Roberts.

RAIN AND SUN UP IN MAY

The weather for May was normal in respect to temperature, but precipitation and sunshine were both above average.

The mean temperature for the month was 53.6 degrees, as compared to the long term average of 53.7 degrees. The highest temperature was 70 degrees, the lowest 35.5 degrees, and the lowest on the grass 30 degrees.

The rainfall, 1.30 inches, was recorded from scattered showers, the heaviest of which was 32 inches. The average rainfall for May during the past 38 years is 1.13 inches. The total precipitation this year, to May 31, was 19.41 inches as compared to an average of 13.61. January and February, however, accounted for 14.23 inches of this total.

There was only one day, May 7, when the sun did not shine. The 274.8 hours of sunshine recorded on the other 30 days was 12.9 hours more than the average for the month.

FIVE RACCOONS IN ONE WEEK

Raccoons, the enemy of the chicken farmer, are increasing in numbers in the Peninsula. Game Warden J. W. Jones last week reported that he had killed five of the predators within a week.

Game Warden Jones explained that the pelt of the animal was at one time worth \$15. With the advent of the more fashionable short-furred skins the call for raccoon

pelts has fallen off to the present stage where they are not even saleable. Coincidentally with the fall in demand came the re-categorization of the 'coon as vermin, instead of its former status as a fur-bearing animal. Despite the fully open season the raccoons are still more than holding their own, he said.
